Good Morning -

In preparation for tomorrow's meeting with the City to advocate that BIDs should be exempt from Waste Hauling Ordinance #182986, LA Sanitation is requesting additional information be **provided by the close of business today**. Attached you will find the report that was compiled last week and below you will find the information now being requested. Please response as soon as possible.

Thank you.

- 
- What are the names of the waste haulers that currently service the respective BIDs?
  - What is the level of service currently provided by the waste hauler servicing the respective BIDs?
    - o Number of bins provided (these are bins provided by the hauler that are used to consolidate the trash collected by BID staff)?
    - o Size of bins used to consolidate trash collected by BID staff (3 cubic yard, 4 cubic yard, roll-offs, etc)?
    - o Number of days the hauler services these bins?
    - o Monthly rate currently paid to service these bins?
    - o Are there additional monthly fees associated with servicing these bins?
    - o Are there additional "as needed" costs associated with servicing these bins?
    - o If bins are provided by the hauler are they located behind a locked gate or similar secured location?
  - Please provide a copy of your current monthly bill that also includes detailed level of service
  - Please provide a copy of the Proposed Service Level Agreement and any additional Waste Assessment documentation provided by the recycLA Service Provider's field representative
  - Do the tons and bags quantity provided in the BID Waste Hauling spreadsheet represent the amount of material collected in a calendar year or month?
  - Does the number of trash receptacles provided in BID Waste Hauling spreadsheet represent the number of receptacles serviced by BID staff and what are their sizes?
  - Do the BIDs listed on the BID Waste Hauling spreadsheet self-haul, contract with a hauler or combination of both?
